3 Your dashboard

SECTION	WHAT YOU CAN DO
Overview	Balance owing, quick links, upcoming events and latest club news
My purchases and tickets	Website orders, event purchases and raffle tickets
Dino Coach	Your team, rank and points, or a link to join (while Dino Coach is running)
My interests	Choose club news topics and ways you might help
My details	Contact details, sign-in email, data download and deletion request
Volunteer tools	Record trailer raffle cash sales (active members only)

■ Overview

Balance owing shows any amount still due on your website orders, with a Pay balance link for each order. What would you like to do? links to events and tickets, club meals, apparel and merchandise, newsletters, player registration, social membership, Pot Club and volunteering. While a club prize wheel is running, a Spin the Wheel card also appears.

■ My interests

Tick the topics you would like to hear about and the areas where you might help. Every choice is optional and records your interest only; it does not book you for a shift. Club emails about your interests are sent only if you tick the email consent box. You can untick it or select Unsubscribe from club emails at any time. Order receipts and account security emails are separate.

■ Volunteer tools

Once the club confirms your membership as active, Volunteer tools lets you record trailer raffle cash sales. Record cash only after collecting it, then hand the money to the club.

4 Purchases, tickets and payments

My purchases and tickets lists website orders placed with your sign-in email. Purchases made under a different email address do not appear. Use the Purchase type menu to switch between orders and event purchases and raffle tickets.

YOU WILL SEE	MEANING
Total, Paid and Balance	What the order cost, what has been paid and what remains
Your ticket numbers	Raffle ticket numbers, shown once payment is confirmed
Bank transfer selected	The club is awaiting confirmation of your transfer
Pay apparel balance	Pay the remaining apparel balance by card
Payment options / bank deposit	Other ways to pay an outstanding balance
Contact the club about this purchase	The order needs review or has been refunded

IMPORTANT

Receipts

For a receipt or help with an older purchase, contact the club and quote your order reference.

5 Your details, privacy and your data

SETTING	WHAT HAPPENS
Save my details	Updates your name, optional phone number and interest in playing or social membership
Change my sign-in email	Confirm the change from your inbox; orders under the old email no longer show
Download my data	Saves your details, interests and website purchases as a JSON file
Request account deletion	Sends a request to the club; you can add an optional reason

Deletion is actioned by the club rather than instantly. Order, payment and raffle records are kept as the club's financial records. Your contact details are private and are not a public member directory. Creating an account does not subscribe you to unrelated marketing.

Your club account does not replace PlayHQ player registration or membership payment. The club confirms membership and playing registration separately.
